Bringing hope and healing to the ends of the earth

WE NEED YOUR HELP!

We are collecting empty aluminum cans and printer cartridges as well as old cell phones for recycling. This recycling campaign will be an ongoing event to fund the scholarship program and other projects as needed. Will you give us your trash for this vital work to end the cycle of poverty?

Please call Margie Sweeney at 502-744-2438 or e-mail her at drmargie@helpinghandshealingministries.org with any questions. Your tax-deductible donations are also gratefully accepted. Checks can be mailed payable to:
